

## LIMITED TIME ONLY

### MARCH-MAY INCENTIVES

# PERFORMANCE REWARDS

For bringing on new accounts (Customer or Affiliate) in any given calendar month, you will receive rewards when you cross various thresholds of BV from those new accounts.

- 800 BV  $\Rightarrow$  \$100 REWARD
- 1200 BV  $\Rightarrow$  \$100 REWARD
- 1600 BV  $\Rightarrow$  \$100 REWARD

- Every 1600 BV rewards you
- No limits to how much you can achieve in a month

Once you have reached 1600 BV in new orders then you will have received \$300. Moving ahead, with your next new account order, you can go through the 3 levels again and receive a second round of rewards. This process continues for all new account orders in a given month.

Wholesale orders and Discounted Team orders do not apply to this reward program.

This ongoing monthly reward is paid to Qualified Affiliates in addition to the Revenue Share Commissions. A Qualified Leader has "active status" in any given calendar month, and has met any requirements for the Rank. For Developer 2 to Multiplier 1, the reward is doubled the first time you achieve a new title, if you drop back down and then earn the title a later date, the "double reward" would have already been paid.
